INDUCTION PROGRAMMES

2020-21

INDUCTION PROGRAMMES

Induction training is a form of introduction for a new employees in order to enable them to do their work in a new profession or job role with an organization. Induction training is systematic training.

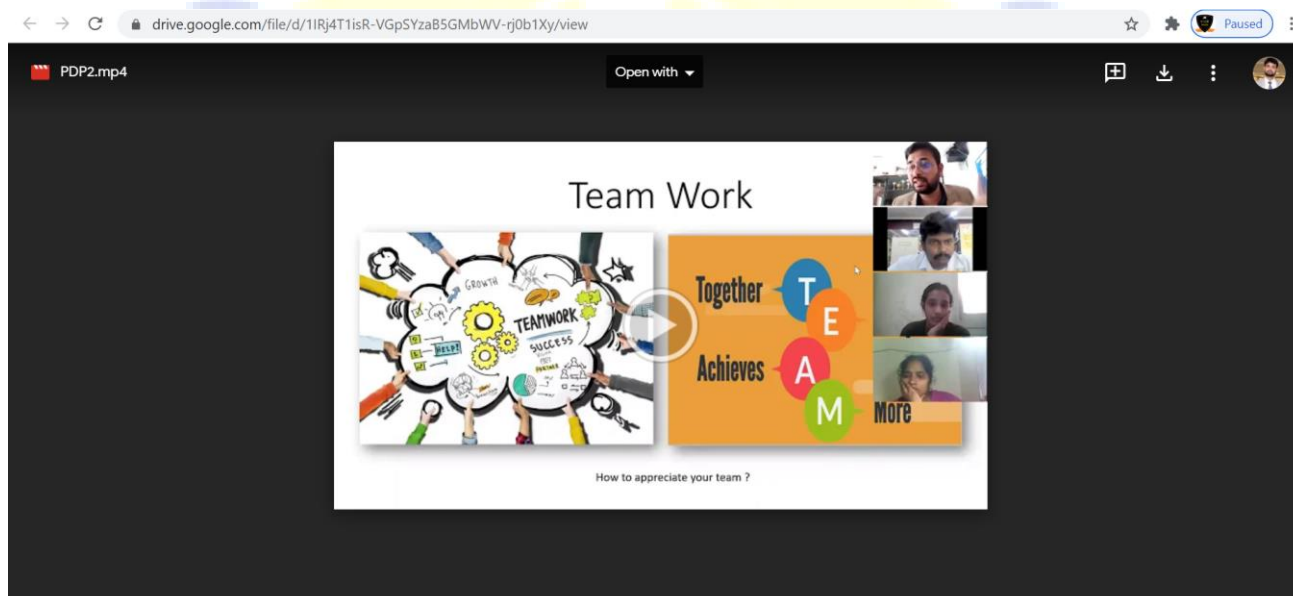

The school Induction process is designed to help new staff become familiar with the requirements for their position and learn about the school culture, priorities and working practices effectively and efficiently so that they can contribute to the school in effective and meaningful manner.

The School Induction Process Includes

- Provide information to the school policies and procedures.
- Provide training and information on Internet safety, school password policy using of online resources.
- Identify and address any specific training needs
- Enable the staff members to contribute improving and developing the overall effectiveness of the school, raising pupils achievements, and meeting the needs of pupils, parents and their wider community.
